**3/7/11**

**Greetings to All Interested CSG Conference Attendees!**

**We have established a location for the conference this summer in July and hope that you will be able to attend!**

**This year's meeting is being held in Boulder, CO in close proximity to Bill Powers's home in Lafayette. Please be in touch with Bill with your ideas for presentations and topics for discussion. We are considering utilizing Saturday morning for a panel discussion that would be open to the local community of academic and professional psychologists entitled "PCT Meets Neuroscience." When I asked, "Are you sure, Dad?" His response was, "It should be a lot of fun."**

**Boulder is a beautiful town to visit with quick access to the mountain parks, the Pearl Street Mall, and other attractions and so you may wish to consider bringing family along. The Boulder Outlook Hotel has a large chlorine-free indoor swimming pool and jacuzzi. There is also an indoor climbing rock. The Outlook strives to be a "green" zero-waste hotel. See the hotel information page for weblinks.**

**I have gone around and around many times about the menu and the schedule. The deli lunch was chosen for Thursday so that you could pack up a sandwich and take it along on an excursion. I will work on seeing if there is an affordable shuttle to take us up Flagstaff Mountain for a picnic since it is a straight shot up from the hotel and would take only about 20 minutes to get to the top. From there you can see the Continental Divide and there are numerous small trails to explore. On Friday I would like to have that same shuttle available to take people to the Pearl Street Mall. For those who only want to see the mall briefly for lunch, this shuttle would continue up the canyon with stops at Settlers Park at the mouth of the canyon, as well as a little further up to Boulder Falls.**

**Saturday morning we leap into the panel discussion, spend the full day meeting, and wrap up with a final dinner in the Boulder West Pool Atrium of the hotel at 6:00.**

**We have a large conference space reserved and so we would be more than happy to set up additional seating to include others at our meals who are not attending the conference. See the Order Form for Additional Meals for prices.**

**Please also be sure to fill out the registration form and mail it back to us with your conference fee as soon as possible and help make this conference a success!**

**You may call in your reservations now under the standard rate if you wish to secure a room. We will let you know once the discounted block of rooms is established so that you may call the hotel again and re-establish your reservation under the CSG block rates. As of today's date, there are plenty of rooms available during July 27 – 31. However, that can change and so the sooner we get registrations the better.**

**I look forward to meeting all of you as I take on this new opportunity to help my father and all who have joined him in the journey to bring PCT to the world.**

**Best regards,**

**Allie Powers**

## **HOTEL ROOM INFORMATION:**

**Please make room reservations directly with the Outlook Hotel at 303-443-3322 (fax: 303-447-0937) You are not obligated to stay at this hotel in order to attend the conference. Our conference room and hotel room discount is dependent upon the number of people attending the meeting and having meals.**

**Please go to <http://www.boulderoutlook.com/> to tour the rooms to see what they mean by “inside” and “outside” rooms. The Outlook has a large indoor pool which may determine where you want to have your room. The pool closes at 10:00pm so noise should not be a problem. Please note that while the Outlook Hotel is a perfectly nice hotel it is not the “fanciest” of hotels and has a lot of “unique Boulder charm.”**

**The Outlook also offers live blues music at their Blues and Greens restaurant / bar Thurs/Fri/Sat. <http://bouldershomeoftheblues.com/>**

**The Outlook strives to be a “green” zero waste hotel. <http://www.boulderoutlook.com/ecovid.html>**

**If you wish to stay at a “higher quality” hotel, the Boulder Inn Best Western is right next door but will cost upwards of \$140 per room. They may be found at <http://boulderinn.com/>**

**Fees listed below are discounted rates for the Control Systems Group Conference. Be sure to mention the conference when making your reservations to receive this discount. Tax and fees are not included in the prices listed below.**
